Women Ahead.

As women, we should not quarrel with our horizon, nor should we shrewdly arraign poor man because he has civilized us at his expense. We must realize simply that emotionally we are centuries ahead of him, and that we shall have to wait patiently for him to grow up and meantime moderate our steps to his just as we do when we take the baby out for an airing.—Woman's Life.

NEIGHBORHOOD NEWS

Friends' yearly meeting at Damascus opens next Tuesday.

Newton Falls has 12 automobiles, or two less than Canfield.

The first annual reunion of the descendants of Melchor Mellinger will be held at Southern park, Wednesday, Aug. 24.

Lewis Wellendorf, who resides on the Canfield-Columbiana road, a short distance south of Loveland, is suffering with appendicitis.

The 18th annual reunion of the Leonard family will be held at the home of Mrs. M. K. Leonard, 2 1/2 miles east of Rosemont, Thursday, Aug. 25.

Thomas Donaghy, aged 82 years, died at the home of Myrtle Cox, living on what is known as the late John Grooms farm south of Salem.

Right of way for a new trolley line to skirt the Mahoning river on the south side between a point above Girard, thence to Youngstown, is being rapidly secured.

The annual reunion of the Dickson family, held Thursday in Camp Park, Austintown township, was largely attended and most thoroughly enjoyed by all present.

Mrs. Rachel Wilber died last week in Cortland at the advanced age of 85 years. She was a native of Germany, was twice married, and for many years resided in Trumbull county.

Uhlman, handsome black son of Blingen and Blonde, at Randall last Friday trotted a mile in the phenomenal time of 1:58 1/2 to sulay, paced by a runner which at no time headed the dashing trotter.

Ira L. Wilhelm of Green township and Miss Alverda Morlan of Columbiana were united in marriage at Lisbon last Saturday. Rev. S. L. Royer of the Reformed church performing the ceremony.

The old students of the old Madison seminary had a reunion at the old school grounds recently. This school flourished from 1848 to 1888, when the buildings were turned over to the state for a soldiers' widows home.

Bootlegging has run riot in Wellsville according to developments last week, when 13 men and women of that city were arrested charged with violating the Rose local option law. They were taken before Mayor Hinchcliffe of Lisbon for trial.

Rumor has it that W. S. Potts, long editor and publisher of the Lisbon Patriot, will retire and that his interests will be taken over by G. W. Kunkle, who for some time has been associate editor, and Bert Burns, former postmaster of Lisbon.

The annual reunion of the Ewing and Gault families held Wednesday at Camp Park brought together a large number of relatives and friends. Addresses were delivered by Hon. W. S. Anderson of Youngstown, Rev. M. G. Jarrow of Ellsworth and Prof. J. F. Guy of Canfield.

Prof. J. M. May of Kinsman has been elected superintendent of Leontia schools to succeed Prof. J. W. Moore, who resigned to accept a place in the Youngstown city schools. Prof. May is 35 years old, has a wife and two children, and has had wide experience as an educator.

The Elks of Ohio will meet at Cedar Point August 25, 26 and 27. It will be the occasion of a fine annual convention of the reunion of the Ohio Association. Aside from the business sessions they have prepared an interesting social program. Harry O. Bentley of Lima is president of the association.

Niles Council and the M. V. Co. are at war, the result of the M. V. furnishing electricity to a local industry at a lower figure than was charged by the municipal plant. Council retaliated by passing an ordinance limiting the speed of street cars in the city to four miles an hour. Now it is intimated that the M. V. will make changes that will necessitate the removal of 70 employees from Niles to Youngstown.

It was not many years ago when veal calves were not considered worth raising and they were killed for their hides. Times have changed since then and veal is one of the prime sources of income for the dairy man. Joe Lee of Jefferson recently sold a seven weeks' calf to Bert March of Jefferson for \$23.25. There are many Ashabula county dairymen whose average monthly income from dairies alone will exceed \$150 per month.—Gazette.

The marriage of Edward Edwards of Mineral Ridge, aged 32 years, to Mrs. Loller of Youngstown, aged 41, has been announced. Mr. Edwards is a pioneer resident of Mineral Ridge and a veteran of the Civil war. In his early years he was a carpenter contractor and followed his trade in Weathersfield township for many years. The ceremony was performed in Youngstown last week but the bride and groom did not arrive home until yesterday.—Niles Correspondent.

IMPROVED SEED WHEAT AND RYE FOR SALE.

I am offering a limited quantity of the famous Harvest King and Four Rowed Fultz Seed Wheat for sale, cleaned and carefully guarded from moisture either at my farm or Canfield mill at \$1.50 per bushel. Rye \$1.25. Bags free. Splendid opportunity to make Wheat Growing Pay and at a small cost provided the right quality and variety of seed is used. Harvest King is one of the hardest of wheats. It produces a long red berry of good size and has the best of milling qualities. Its straw is stiff and does not lodge in the richest soils.

Four Rowed Fultz was introduced into Lancaster county, Pa., by the Department of Agriculture some eight years ago. Four Rowed Fultz has a tendency to produce spikelets composed of four grains of wheat arranged in a compact row. It has numerous records of 40 to 50 bushels per acre of wheat harvested. Have not threshed but expect an equal yield, especially Harvest King. Order early and avoid disappointment.

ERIE RAILROAD IS VERY PROSPEROUS

The Erie Railroad issued yesterday its statement for the year ended June 30, which was decidedly favorable in comparison with reports for other roads and in striking contrast with the position of the Erie two years ago, when the late E. H. Harriman rescued the road from an impending receivership.

For the past fiscal year the Erie Railroad after providing for all its fixed charges and after allowing a substantial sum for improvements and betterments, shows a surplus equivalent to the full 4 per cent. on both classes of the preferred stock and to more than 2 per cent. on the 112,000,000 of common stock. There was a large increase for the year in the gross earnings of the property, which amounted to \$54,866,190 for the twelve months ended June 30 last, compared with \$50,441,161 earned during the previous year. The net earnings showed an increase of \$2,228,861, and the income from other sources than operation an increase of \$1,095,614. Charges for interest, rentals, etc., showed an increase of only \$465,695. The net income showed the large increase of \$2,858,829. The sum left after meeting charges was \$5,806,543, and from this was deducted \$737,086 for additions and betterments, compared with \$381,926 similarly expended the previous year.

After these deductions there was left \$5,424,456 compared with \$2,555,717 in 1908, while in 1909 there was a deficit of \$2,193,228. Compared then with 1908, the Erie shows a recovery of \$7,500,000 in surplus earnings.

Not the least striking feature of the excellent report that the large surplus shown above all charges was earned in the face of conditions surrounding railroad operations which many railroad men have been predicting would embarrass the railroads, particularly the weaker railroads, with which the Erie was classed.

These conditions include the increases in wages which the railroads had to grant this spring, and in another direction the closer regulation of railroad affairs by the Government, which lately has prevented the application of a general increase in freight rates.

The rescuing of the Erie railroad from impending receivership in the spring of 1908 by the late E. H. Harriman is one of the spectacular events in Wall Street history, and already the benefits of the Erie Railroad has been deriving from its improvements are bearing out the view which Mr. Harriman took when from a sick bed he raised overnight the \$5,000,000 which was needed to save the Erie.—New York Times.
